KIN CONTACT :   Repeated or prolonged contact can cause redness. I     YE CONTACT :   May irritate eyes.     IGESTION :   Low order vorticity arising irritation of the stomach an     IEDICAL CONDITIONS   May aggravate dermatitis, psoriasis and other skin c     GGRAVATED BY EXPOSURE :   EPRODUCTIVE TOXICITY :	irritation and scaling of skin (Dermatitis). nd intestines, resulting it nausea and vomiting.					
YE CONTACT : May irritate eyes. GESTION : Low order vorticity arising iritation of the stomach an IEDICAL CONDITIONS GGRAVATED BY EXPOSURE : EPRODUCTIVE TOXICITY : No adverse effects on reproduction are known.	nd intestines, resulting it nausea and vomiting.					
VGESTION:     Low order vorticity arising iritation of the stomach an May aggravate dermatitis, psoriasis and other skin c GGRAVATED BY EXPOSURE:       REPICAL CONDITIONS GGRAVATED BY EXPOSURE:     No adverse effects on reproduction are known.						
IEDICAL CONDITIONS     May aggravate dermatitis, psoriasis and other skin c       GGRAVATED BY EXPOSURE :     No adverse effects on reproduction are known.						
GGRAVATED BY EXPOSURE : EPRODUCTIVE TOXICITY : No adverse effects on reproduction are known.	conditions					
EPRODUCTIVE TOXICITY : No adverse effects on reproduction are known.						
ACUTE TOXICITY VALUES : No data is currently available.						
SECTION 12 : ECOLOG	GICAL INFORMATION					
GENERAL : Very toxic to aquatic organism; may cause long-term PRODUCTS OF BIODEGRADATION : Avoid any pollution of ground, surface or undergrour TOXICITY OF PRODUCTS OF BIODEGRADATION :						
SECTION 13 : DISPOS.	AL CONSIDERATION					
VASTE DISPOSAL : Incineration or sanitary landfill in accordance with loc	cal, provincial and federal regulations. Check with disposal expert to insure compliance.					
SECTION 14 : TRANSF	PORT INFORMATION					
IN No. : UN1169 : Liquid aromatic extract CLASS 3	US DOT SHIPPING DESCRIPTION : Class : 3 Flammable liquids					
ACKAGING GROUP : PGIII	IATA SHIPPING (AIR) : Label 3 IMDG SHIPPING DESCRIPTION : Marine polluant : yes					
SECTION 15 : OTHER REG	ULATORY INFORMATION					
VHMIS (CANADA) : Group III, Class 3						
IMIS (USA) : Health Hazard - N/A; Fire Hazard - N/A; Reactivity -	N/Δ					
ARA 302/ SARA 313 : None	1977					
	e Safe Drinking Water and Enforcement Act of 1986.					
UROPEAN UNION LABELING : R10 - Flammable.	o dalo Drimming Water and Enforcement Act UI 1300.					
	Xn R22 - Harmfull is swallowed.					
Xi R22 - Harriful is swallowed. Xi R38 - Irritation to skin						
S36/37/38 - Wear suitable protective clothing, gloves	s and eye/face protection.					
SECTION 16 : OTHE						

When utilized by professionals following the conventional good manufacturing practices, the aromatic materials are not severly dangerous. However, the preceding precautions and the following general operation rules must be respected. Keep the product away from any food or drink. It is an industrial product and must not be ingested as such Eating, drinking and smoking should not be permitted in handling and packaging areas. Cases of auto-flammability of several fragrance materials are reported. Consequently, the materials used to mop up the product (sponges, absorbent papers, sawdust, etc...) must be rapidly eliminated. The refuse-bins in the manufacturing areas must be cleared out. Transfer to a flammable waste container and incinerate at approved site. The product must not be heated with, or exposed to, open flames or other sources of ignition. Do not expose the product to unprotected electrical equipment. Never overheat the product. Do not breathe hot vapours. In any case of potential poisoning, get medical advice.

## SECTION 17 : DISCLAIMER

The information above is given is good faith and is believed to be accurate and represents the best information currently available to us. However, we make no warranty of merchantability or any other warranty, express or implied, with respect to such information, and we assume no liability resulting from its use. Users should make their own investigations to determine the suitability of the information for their particular purposes. In no event shall ZAYAT AROMA INC. be liable for any claims, losses, or damages of any third party or for lost profits or any special, indirect, incidental, consequential or exemplary damages, howsoever arising, even if ZAYAT AROMA INC. has been advised of the possibility of such damages. This data is not to be constructed as absolutely complete since additional data may be desirable when particular conditions or circumstances exist. This data relates only to the specific material designated and not to be used in combination with any other material. Many regulations pertain directly or indirectly to the product's end use and disposal of containers and unused material. It is the purchaser's responsibility to familiarize themselves with all applicable regulations.
